bookings for accommodation will be essential. It will be a good
occasion to meet members from all over Australia, at the end of the week.

I would like to thank the various States.

I can only imagine the difficulties that you face, and the need for a
suitable function to put on a successful event. The results were
most encouraging and can be of assistance to those who have not yet officially
sent the required letters.

I trust that the arrangements will go as planned. It is for this reason
that I would like to see the arrangements made in detail, so I can be
informed. It will be a privilege for us to have your committee meet
and discuss the arrangements. I am sure if this is done, we will

Please write to our association expressing your views and

Perhaps the time is drawing near when members in other States would
attend the Queen's Birthday weekend, and all members are invited to attend
and enjoy your usual social activities.

The function was organized by Jim Wallace, Young of the Centenary,

The day was the first of the year, with the usual social activities, followed
by the annual dinner at the Tattersall's Club, where the speeches
were made.

There were several speeches made by the association, including one by
the Hon. A. J. McLeod, who addressed the members on various
subjects. The day ended with a barbecue, and everyone enjoyed the
company of friends.

The day was a very successful one, and all members were pleased
with the arrangements made.
